CARB-BAL

YOUR SECRET WEAPON FOR KETO SUCCESS

- Manage sugar cravings
- Reduce carbohydrate absorption
- Manage your blood sugar
- Stay on track with your Keto Programme
- Formulated with Gymnema Sylvestre, Fenugreek and White Kidney Bean extract

WHITE KIDNEY BEAN EXTRACT

White Kidney Bean extract delays digestion and absorption of carbohydrates by blocking an enzyme, alpha amylase, which enables digestion of carbs in the small intestine.

GYMNEMA SYLVESTRE

An ayurvedic herb with traditional use in the management of blood sugar levels by reducing the absorption of sugar.

The Hindi name for Gymnema means 'destroyer of sugar'. Clinical trials have shown a reduction in blood sugar levels when used in conjunction with this herb.

FENUGREEK

Traditionally been used to manage blood sugar.

DIRECTIONS FOR USE

For best results, take 1 capsule with water 30 minutes before meals, up to 3 times a day.

Suitable for adults only.
